

## **Orientation Materials**

Youth Wellness Hubs Ontario (YWHO) is pleased to offer a number of orientation and training materials for new YWHO staff and in-kind partners at YWHO Sites across the province. Please use this document as a guide through all trainings available for clinical staff, including Mental Health and Substance Use Clinicians, Nurse Practitioners, Psychiatry or additional primary care providers. All materials are available on the <a href="YWHO">YWHO</a> Knowledge Base.

The following timelines are guidelines for full time staff. Please connect with your Manager to determine an appropriate timeline for your role if you are not a full time staff.

## **Training Pathway for all YWHO Clinical Staff**

STEP 1: This training is mandatory and should be completed within 1 month of orientation *		
Introduction to YWHO		
YWHO Service Pathways		
Engagement and Building Rapport		
Sociodemographic Data Collection		
YWHO Data Collection Platform		
Clinical Screening Measures and Service Pathways		
Risk Assessment and Management of Youth with Self-Injurious Thoughts and Behaviours		
Addressing Substance Use with Youth (Part 1)		

<sup>\*</sup>the training is mandatory for YWHO staff and strongly encouraged for in-kind partners

STEP 2: The following equity, diversity and inclusion and substance use trainings are strongly recommended		
to be completed following mandatory training *		
Functions of Substance Use in Youth (Part 2)		
Wiid-Semaadaanik E'shkiniigjig: Let's Walk with the Youth		
2SLGBTQ+ Inclusion		
Affirming Care for Trans Youth		
French Active Offer		
Youth Substance Use eLearning Courses		
Anti-Oppression and Anti-Racism (AOAR) training		
Harm Reduction		

<sup>\*</sup> Please prioritize these trainings 2-3 months following completion of mandatory training

If you have any questions or require support in accessing the trainings, please reach out to your supervisor or contact <a href="mailto:training@ywho.ca">training@ywho.ca</a>
